

Association of Surgeons of Great Britain and Ireland

Annual Scientific Meeting 2004

Practical Statistics for Surgeons

3.00pm to 6.00pm

Tuesday 27th April 2004

**The Harrogate International Conference Centre
Kings Road, Harrogate, North Yorkshire, HG1 5LA**

WORKSHOP FACULTY

Course Convenors: Dr Ian Buchan (University of Manchester)
Dr Patrick McEldruff (University of Manchester)
Course Facilitator: Mr Rowan W Parks (Edinburgh)

WORKSHOP OUTLINE

This comprehensive three-hour workshop aims to teach surgeons how to “Know your Results”. Delegates will be expected to have a basic understanding of the use of statistics. Laptops will not be necessary, but a copy of the statistical package *StatsDirect* will be included in the Registration Fee.

Topics covered by the workshop will include:

- Basic statistical appreciation.
- Avoiding common pitfalls.
- Using confidence intervals.
- An introduction to survival analysis.
- Strengths and weaknesses of meta-analysis.
- Statistical issues with surgical performance measures.
- Using *StatsDirect* to learn and practice Medical Statistics.

The workshop has been awarded three CPD points.

WORKSHOP FEE

The registration fee for the Workshop is **£99.00** per person, inclusive of tea/coffee break. The fee includes a complimentary copy of the *StatsDirect* statistical software, which usually retails for £99.

REGISTRATION

The workshop is being organised to coincide with the Association’s 2004 Annual Scientific Meeting and, although primarily intended for delegates attending the Scientific Meeting, registration on the workshop is open to all. Places are strictly limited to a maximum of 100 delegates, so early booking, using the **Booking Form** on the reverse, or through the *Provisional Programme and Registration Form* for the ASGBI Harrogate Annual Scientific Meeting, is, therefore, recommended.
