

Association of Surgeons of Great Britain and Ireland

Annual Scientific Meeting, Harrogate, 28th to 30th April 2004

All short paper presenters will have recently received an email from *iFormix* informing them that their abstract has been accepted as a short paper presentation at the Association's 2004 Annual Scientific Meeting in Harrogate. The following sets out presentation details.

- * Please note that failure to present your paper will be taken seriously, and the names of the authors will be published in the next edition of the Association's *Executive Newsletter*.
- * Please refer to the Scientific Programme, available on the Association's website www.asgbi.org.uk, so that you can identify the session in which your presentation will be made. This will enable you to submit your *Powerpoint* presentation, which must be submitted to the address given below by **Friday 16th April 2004**. This will enable all presentations to be transferred onto a single disk for each session in order to expedite the changeover of speakers and avoid unnecessary interruption to the programme.

Please mark your presentation clearly with your name, address, telephone number, email address and the relevant Conference Session Reference Number (ie. **T7au, T5da, T5db**, etc, as given on the Scientific Programme grid). Email your completed presentation to:

asgbi@sla.uk.com

or post it on disk or CD-ROM to:

**ASGBI Harrogate 2004
Steve Lovell Associates
Confex House
14 Rozeldene
Hindhead

Please **DO NOT** post or email your presentation to *iFormix* or to the ASGBI offices.

- * If you have not yet received a copy of the *Provisional Programme and Registration Form* for the Meeting, this can be accessed and downloaded via the Association's website at:

www.asgbi.org.uk

Finally, congratulations on having your abstract accepted for presentation at the Meeting and we look forward to seeing you in Harrogate.
