Terms and Conditions

1. Entries must be of general surgical interest suitable for an audience of consultants and higher surgical trainees and may include topic presentations as well as operative surgery.
2. Entries will be judged according to surgical interest, teaching value and technical merit. Those accepted will be shown at the International Surgical Congress and a presenter should be available for questions.
3. A list of equipment used for the production must accompany each entry, together with the full names and qualifications of those most involved in the making of the film (maximum four names).
4. Commentaries must be in English, and entries must be on SVHS format videotape or DVD and be no longer than 10 minutes in duration. Any film that lasts longer than 10 minutes will not be accepted. A 2 minute discussion will follow each presentation.
5. The Association reserves the right to allow the Surgical Royal Colleges to catalogue and manage the selection in their libraries.
6. The Association reserves the right not to show any entry.
